

Christmas 2017

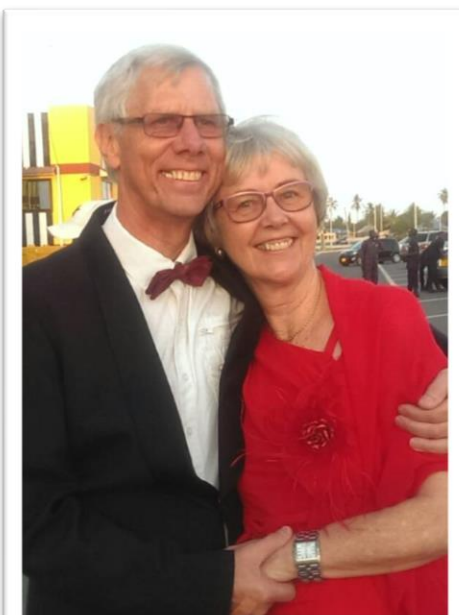

Finally, it became December a time to bake cookies, make marzipan and roasted nuts. (It all tastes best before Christmas) yes, it's the month to "hygge".

We decorated the living room on the 1st Sunday of advent, it is so "hyggelig" and at the same time, we are looking forward to celebrating the birth of Jesus, once again.

We are so excited that the school now finally is finished!
And that we have bought a school bus.

Resti our house girl had a very beautiful wedding we went to, she has served us for 15 years.

We would like to wish you a very Merry Christmas and a blessed new year.

We feel we need to say a big **THANK YOU** for everything that we have shared, in the year that is now almost over. We look forward to what the new year will bring.

With love Tabitha and Torkild.
