

Dear beloved friends

With great sadness in my heart, I would like to inform you that Tabitha went home to Jesus on Friday, 12, 2026, in the afternoon.

The last few weeks were marked by ups and downs. The days were filled with great optimism and hope, but also with repeated hospitalizations and a great deal of pain. Tabitha felt carried on the wings of prayer and sensed Jesus' presence so strongly. She passed away peacefully while she was hospitalized at Gødstrup Hospital.

She had hoped to have a few more years of ministry in Tanzania, for there was so much she still wanted to accomplish. When Tabitha said goodbye to me, her greatest wish was that I would continue the work. God's call to help the children in Tanzania still stands. I am very sad and feel a great sense of loss, but I also feel in my heart that I must pick up where we left off. I look forward to returning to the work in Tanzania.

**Tabitha's funeral will be held at
Betania Church Center, Blåhøj Stationsvej 27, 7330 Brande
on Saturday, June 20, at 1:00 p.m., followed by burial at
Karstoft Cemetery, Højgårdsvej 2A, Karstoft 6933 Kibæk.**

Following the funeral, we invite you to a memorial gathering at Betania Church Center.

Flowers last only a short time before they wilt. In accordance with Tabitha's wishes, my children and I ask that you instead show your sympathy by supporting the work in Tanzania, where the value of those flowers can make a big difference for people in need. Donations may be marked "Flowers" and deposited into account no. 9718, account no. 0741793075.

May Tabitha's memory be honored.

With love and God's peace,

Torkild
